

1. I have then reopened the file and redisplayed the tooltips that were mentioned in "Screencast_1" to verify there was no mistake in my explanation.

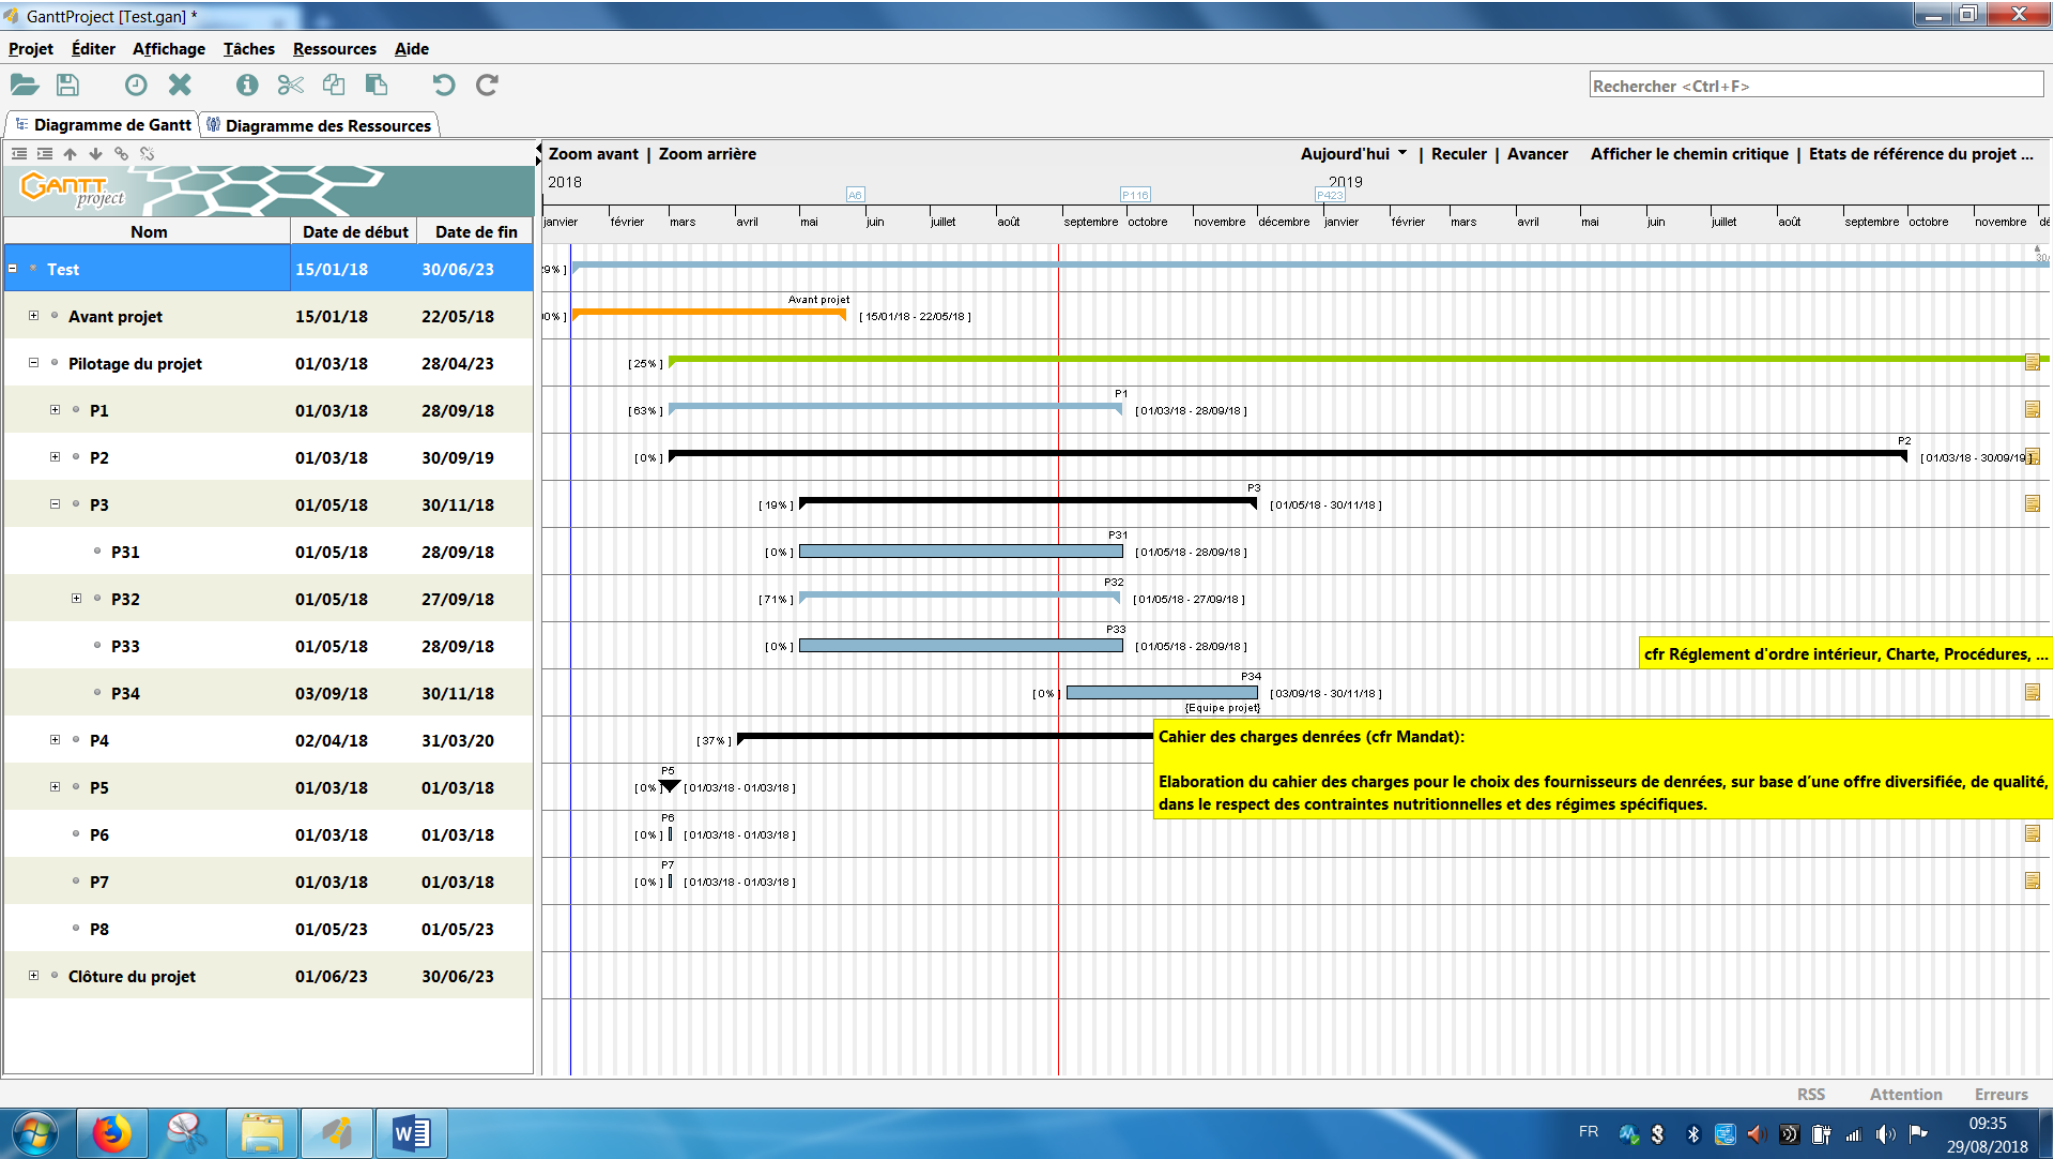

All tooltips displayed and disappeared correctly except the last, the one of task P34.

2. I have then displayed the task P7 tooltip that did well disappear:

3. I have then displayed the task P6 tooltip that did well disappear:

4. I have then displayed the task P5 tooltip that did well disappear:

Note that task P34 tooltip is still visible in the middle of task P5 tooltip.

Task P34 tooltip remains displayed till I close the file.
